Llongyfarchiadau
Congratulations

Yma yn Sain Ffagan: Amgueddfa Werin Cymru rydyn ni'n arbenigo mewn cadw a chreu atgofion, ac rydym am eich cynorthwyo i drefnu diwrnod priodas bythgofiadwy i'ch teulu, eich ffrindiau ac i chi. Mae ei gerddi ffurfiol cain, ei llwybrau coedwig a'i hadeiladau hanesyddol, yn sicrhau taw'r Amgueddfa yw un o leoliadau priodas mwyaf rhamantus ac unigryw Cymru.

Ers agor ei drysau ym 1948, mae Sain Ffagan: Amgueddfa Werin Cymru bellach yn un o amgueddfeydd awyr agored gorau'r byd. Symudwyd dros ddeugain o adeiladau hanesyddol yma i ddangos i chi sut oedd y Cymry'n byw, yn gweithio ac yn addoli drwy'r oesoedd.
Rydym wedi'n trwyddedu i gynnal seremonïau priodas sifil a derbyniadau mewn dau leoliad yn yr Amgueddfa – maenordy Elisabethaidd hyfryd Castell Sain Ffagan ac adeilad urddasol Sefydliad y Gweithwyr Oakdale.
Saif yr Amgueddfa nepell o sawl gwesty a thai gwely a brecwast, ac mae yma fynediad hwylus i drafnidiaeth.

Castell Sain Ffagan
St Fagans Castle

Mae Castell Sain Ffagan yn adeilad rhestredig Gradd 1, ac yn lleoliad anhygoel ar gyfer seremoni yn un o'r maenordai Elisabethaidd gwychaf yng Nghymru. Ar gyfer y derbyniad, gallwch ddewis cyfuno'r Castell â phabell neu â Sefydliad y Gweithwyr Oakdale ar gyfer hyd at 140 o westeion.

Lleoliad cartrefol i hyd at 40 o westeion sydd yn y Brif Neuadd a'r Ystafell Fwyta. Addurnwyd y Neuadd yn yr arddull Fictoraidd crandiaf, gyda waliau o dderw tywyll a lle tân wedi'i gerfio'n gywrain ag arno arfbais y teulu. Cwblhawyd yr Ystafell Fwyta ym 1896. Cai'r cyrsiau eu gosod ar y seld a byddai bwtler a gweision y teulu yn gweini arnynt. Mae digonedd o leoliadau tynnu lluniau i'w dewis, ac ymhlith gerddi cadwedig cain y Castell mae'r Ardd Eidalaidd, yr Ardd Teim, pyllau pysgod, ffynhonnau, llwyn merwydd a Gardd Rosod odidog.

As a Grade 1 listed building, and recognised as one of Wales's finest Elizabethan manor houses, St Fagans Castle is a breathtaking setting for your ceremony. For your reception, you can combine the Castle with a marquee or with Oakdale Workmen's Institute for up to 140 guests.

The Castle's Main Hall and Dining Room is an intimate venue for up to 40 guests. The Hall was the height of Victorian style, decorated in dark oak with an intricately carved fireplace bearing the family coat of arms. The Dining Room was completed in 1896. Dishes were placed on a sideboard and served to the table by the family's butler and footmen.When it comes to your photographs, you'll be spoilt for choice. The Castle's elegant landscaped gardens include the Italian Garden, the Thyme Garden, fish ponds, fountains, a mulberry grove and an exquisite Rose Garden.

Sefydliad y Gweithwyr Oakdale
Oakdale Workmen's Institute

Os am gynnal seremoni neu dderbyniad mewn adeilad sy'n frith o hanes Cymru, nid oes lleoliad gwell na Sefydliad y Gweithwyr Oakdale. Gall y Neuadd Gyngerdd ar y llawr cyntaf ddal 90 o westeion ar gyfer derbyniad, ac mae yno lawr dawns a llwyfan pwrpasol i chi ddawnsio tan yr oriau mân.

Fe'i hadeiladwyd ym 1916 cyn cau ym 1987 ac ailagor yn yr Amgueddfa ym 1995. Roedd y 'Stiwt' yn adeilad cyffredin yn nhrefi diwydiannol Cymru ac wrth galon bywyd cymdeithasol, addysgol a diwylliannol y gymuned. Byddai gweithwyr yn rhoi cyfran o'u cyflog mewn cronfa er mwyn talu am y gwaith o adeiladu a chynnal y fenter. Cymuned estynedig Glofa Oakdale yn Sir Fynwy fyddai Sefydliad y Glowyr Oakdale yn ei gwasanaethu.

For a truly authentic piece of Welsh history, there's nothing like Oakdale Workmen's Institute for your ceremony. For your reception, the Concert Hall on the first floor can accommodate up to 90 guests. Its sprung floor and stage mean you can dance the night away in style.

Built in 1916, the Institute closed in 1987 and re-opened at the Museum in 1995. 'Institutes' were once a common feature of industrial Wales, at the heart of community social, educational and cultural life. Miners gave a portion of their wage into a fund to pay for their construction and running. Oakdale Workmen's Institute served the population based around Oakdale Colliery in Monmouthshire.
